5. Service Provider obligations

5.1 Commencement of Service: The relevant Bulk SMS Service shall commence from the service activation date.

5.2 Service Availability and Limits:

5.2.1 Certain factors, such as network changes, traffic volume, transmission limits, service outages, technical limitations, signal strength, customer device, terrain, structures, weather, or other conditions that may arise from time to time, may interfere with actual service quality and availability. Messages may be interrupted, dropped, refused or limited. Ooredoo will not be liable for any service limits due to these conditions that may arise from time to time, subject to Ooredoo's statutory and licence obligations and requirements.

5.3 Block Spam SMS: if a customer is experiencing spam SMSs, customers can block receiving messages by sending SMS to 92600 with "Unsuball" or "Unsub service name".

6. Subscriber obligations

- 6.1 Minimum service period:** The minimum service period for the SMS Business Service is Three (3) months commencing from the date of activation of Service.
- 6.2 Cancellation:** If a Subscriber terminates the contract before the end of the minimum service period, the Subscriber will be liable to pay charges for the full three months period.
- 6.3 Service Compliance:**
- 6.3.1** Customer agrees to notify Ooredoo immediately of any unauthorized use of your account or any other breach of security.
- 6.4 Fair usage policy for Bulk SMS service:** Subscribers agree not to use the Service to:
- 6.4.1** Send duplicative or unsolicited messages (commercial or otherwise) to users who have not consented to receipt of such messages;
- 6.4.2** Harvest or otherwise collect information about others, including Mobile Telephone numbers, without their prior consent;
- 6.4.3** Create a false identity or forged email, phone or fax address or header, or otherwise attempt to mislead others as to the identity of the sender or the origin of the message;
- 6.4.4** Transmit through the Service or convey links to unlawful, anti-religious, anti-social, harassing, libelous, abusive, threatening, harmful, vulgar, obscene or otherwise objectionable material of any kind or nature;
- 6.4.5** Transmit through the Service or convey links to any material that may infringe the intellectual property rights or other rights of third parties, including trademark, copyright or right of publicity;
- 6.4.6** Ooredoo may, at its option and without further notice, use anti-spam technologies, such as automatic word and spam filters that may terminate messages without delivering them or prevent or prevent messages from reaching the customer. Customer may not use the Service in a way that imposes an unreasonable or disproportionately large load (as agreed with Ooredoo) on Ooredoo's infrastructure or that otherwise would harm or breach our arrangements with any of our service providers.
- 6.4.7** Customer shall comply with any reasonable request by Ooredoo concerning the use of the Service. Ooredoo may require customers to submit information reasonably related to the usage of the Service.
- 6.5 Message and Address Book Storage, Outbound Messages and Other Limitations:** Ooredoo assumes no responsibility for the deletion or failure to store information. Ooredoo does not set an upper limit on the number of messages a member may store or send through the Service; however, Ooredoo retains the right, at its sole discretion, to determine whether or not Member's conduct is consistent with the terms and conditions and may terminate Service if the Subscriber is in breach of the Agreement. Ooredoo may, in the future, with prior notification, limit the amount of storage space available to each Subscriber.

- 6.6 Equipment:** You are responsible for obtaining and maintaining all computer hardware, software and communications equipment needed to access the Service, and for paying all third-party access charges (e.g., ISP, telecommunications) incurred while using the Service.
