Ooredoo Payroll Service

Offering a great new way for business payroll processing

Ooredoo and QNB have partnered to provide a unique payroll service for businesses and employees in Qatar.

Companies will now have the advantage of an easily managed payment service that delivers directly to employees using QNB processing.

Employees will enjoy safe and secure salary transfers they can access with a payroll card at any ATM or use in Point of Sale (POS) transactions in stores, in addition to other great services with Ooredoo Mobile Money.

Benefits

With Ooredoo Payroll Service, you can now pay employee salaries seamlessly with benefits unique to companies, employees, and Qatar as a whole:

- **Wage Protection System**

Ooredoo Payroll provides peace of mind that your company is adhering to the new labour laws being introduced in Qatar in 2015 with regards to electronic salary payments to employees.

- **Reduce Costs and Increase Efficiency**

Eliminate the need to distribute cheques or cash with simple electronic salary disbursement and streamline the administrative processes of issuing and reconciling payments.

- **Corporate Responsibility**

Ooredoo Payroll Service will allow your company to show transparency, reduce fraud, and improve on service delivery to your employees.

- **Employee Satisfaction and Financial Inclusion**

Opening a Mobile Money account for employees will give them financial inclusion, especially for those without bank accounts, by offering a convenient way to store and safeguard their money.
